RE: Save Lives Save Dollars Staff Changes

---

After three years as GDAH C Senior Vice President and Executive Director, Save Lives Save Dollars, **Jan Whitehouse** has decided to leave GDAH C to take a well deserved break to focus on family matters.

We are grateful to Jan for her leadership and many accomplishments during her tenure here at GDAH C at the helm of SLSD. Under her direction, the SLSD initiative has developed into a nationally recognized leader in collaborative work to improve healthcare cost and quality, and much progress has been made in concert with GDAH C's partners and numerous organizations across the state. As Jan moves into this new phase in her life, she leaves GDAH C confident that SLSD is well positioned to continue its important work and that the dedicated staff and key initiatives currently underway secure SLSD's leadership role into the future.

**Mallory Lawrenchuk**, Save Lives Save Dollars Program Manager is also moving on to new ventures. In accepting a position with Thompson Reuters, Mallory takes on new work that will continue the professional development she gained with GDAH C SLSD. We thank Mallory for her contributions to SLSD as well.

We are taking advantage of the opportunity these changes present to consider new ways of structuring ourselves to maximize our efficiency and effectiveness. Be assured we will not lose momentum during these transitions and we will keep you informed as plans develop. We are very excited about the future.

Please feel free to contact Devorah Rich, Senior Program Manager, Save Lives Save Dollars, at 313-965-4134 or [drich@gdahc.org](mailto:drich@gdahc.org), or contact me directly at 313-965-4117 or [vdanthony@gdahc.org](mailto:vdanthony@gdahc.org) if you have any questions about the transition.
